

Achaia has its own casino in Rio suburb, offering to the residents and the visitors 24-hour entertainment in a cosmopolitan environment. Players can create their luck and have fun with the most popular games of the famous casino in the world: Roulette, black jack, stud poker, slot machines which may reserve rich jack pots.

At the Casino of Rio, a game suitable for each player is available and he can find the gamble of his own, betting on higher or lower amounts. The anxiety and adrenaline increases vertically with shuffling the cards and the spin of roulette which are the components of the continuous entertainment. The area of the casino is bright and welcoming, overlooking the Rio - Antirion Bridge while at the same place there is a luxurious hotel.
